

REPORT

Stationery Kit Donation at ZP School Chinchpur, 15 th August

Objective

To provide essential educational supplies to support the academic growth of children at ZP School Chinchpur.

Implementation Highlights

On India's 78th Independence Day, Navriseup India Care Foundation, with the support of its volunteers, generously donated stationery kits to 50 students at ZP School in Chinchpur. The donation was a part of the Foundation's efforts to support education in rural areas.

Expected Outcomes

1. Equip 50 students with the necessary tools for their studies.
2. Encourage enthusiasm for learning and participation in school activities.

Impact Assessment

1. Students were excited to receive the kits, and teachers noted improved class participation.
2. The donation has sparked more interest in academic work among the children.

Sustainability

Navriseup India Care Foundation plans to continue providing educational resources to schools in underserved areas.

Conclusion

The stationery kit donation to ZP School Chinchpur on Independence Day helped support the children's education and foster a greater interest in learning.

REPORT

Financial Support for a Housemaid's Husband's Hospitalisation

Date: 18 August

Objective

To provide financial assistance to a family in need, easing the burden of hospitalisation costs.

Implementation Highlights

Navriseup India Care Foundation, with the support of its volunteers, stepped in to cover the hospitalisation charges for the husband of a housemaid in Kandivali. The Foundation aimed to relieve the family's financial stress during a critical time of need.

Expected Outcomes

1. Provide immediate financial relief to the family.
2. Ensure the husband received the necessary medical care without financial barriers.

Impact Assessment

1. The family expressed immense gratitude for the timely assistance.
2. The relief provided allowed the family to focus on recovery without worrying about financial burdens.

Sustainability

Navriseup India Care Foundation will continue to support families facing medical emergencies through donations and community support.

Conclusion

The financial assistance provided during the hospitalisation of the housemaid's husband offered crucial support to the family in their time of need, reaffirming the Foundation's commitment to helping those in crisis.

REPORT

Educational Support for a Rickshaw Driver's Nephew

Date: 21 August

Objective

To provide financial assistance for a rickshaw driver's nephew's education expenses, supporting his academic journey.

Implementation Highlights

Navriseup India Care Foundation, with the help of dedicated volunteers, paid the education expenses for the nephew of a rickshaw driver in Kandivali. This support was offered to ensure that the child's education would not be disrupted due to financial difficulties.

Expected Outcomes

1. Ensure the child's continued education without financial hindrance.
2. Support the family's effort to provide quality education for their children.

Impact Assessment

1. The rickshaw driver and his family expressed deep gratitude for the support.
2. The child is now able to continue his studies without worry.

Sustainability

Navriseup India Care Foundation remains committed to supporting educational expenses for children in need and will continue similar initiatives in the future.

Conclusion

By covering the educational expenses for a rickshaw driver's nephew, Navriseup India Care Foundation has helped secure the child's academic future, reflecting its ongoing dedication to supporting education for underprivileged families.
